MEMORANDUM FOR: Dr. Sherman Kent

Sherm:

Your memorandum on foreign travel was sent to me by the Director requesting my comments. I have discussed it with Dick Helms and have only one suggestion for you to consider.

It seems to me that it would be wise for the Chairman and Vice Chairman of the Board to vary the areas to which they travel from time to time. Maybe you do this; I don't know. I am under the impression that Abbot concentrates on South Africa and you the Far East. I may be entirely wrong about this, and this is merely a suggestion in principle. There is no objection to your plan as presented in the memorandum.
